

AUTHORIZATION FOR RELEASE OF RECORDS

Lower Gunnison Project RCPP EQIP

Background

The Colorado River Water Conservation District (Colorado River District) is the primary project sponsor and federal funding recipient for the Lower Gunnison Project (LGP) Regional Conservation Partnership Program (RCPP) under an Alternative Funding Arrangement (AFA) with the Colorado Natural Resources Conservation Service (CO NRCS) for the benefit of irrigated agriculturalists and stakeholders within the Bostwick Park, Paonia, Smith Fork and Uncompahgre Project areas. The Colorado River District is a public water policy agency chartered by the Colorado General Assembly in 1937 to be “the appropriate agency for the conservation, use and development of the water resources of the Colorado River and its principal tributaries in Colorado” (See www.crwcd.org for more information).

Authorization for Release of Records

To: Colorado River District

As an applicant and potential participant in the LGP, I understand that the Colorado River District will, to the extent possible, protect confidentiality of personal information. I also understand that in order to carry out the RCPP EQIP On-Farm Program, the Colorado River District will need to utilize and disclose data/information about me and/or the land I own and which is proposed for funding with the following named organizations. I hereby authorize the release of all information in my file to:

- Shavano Conservation District
- Delta Conservation District
- Colorado River Water Conservation District
- State of Colorado Natural Resources Conservation Service
